■ Which shape(s) did you make? Please circle the chosen shape:

J (upper body)

O (sleeve)

I (pants)

N (skirt)

■ Do you have any experience with garment making?

■ What did you design/create for this project?

Can you please explain your choice of material & techniques, and if you made other adjustments:

■ The first step of this project is using a manual that explains a system you need to use to JOIN this project. Does it give you freedom or restrictions to start working in this way?

■ What do you think of a system in which the part designed and made by you can become a complete garment only in combination with the work of others?

■ How do you think value & meaning are created in these shapes, and in the end, in the garment that is created from them?

■ Who do you think is the designer of the garments made in JOIN Collective Clothes?

■ What role does fashion play in your life?

■ Is there anything else you'd like to share? Please write it down below.
